

Subject: IMPORTANT: *NEW GNC T-Shirt order form*

Hi GNC Team Leader,

It is so exciting to see the growth God is enabling here in the New River Area Chapter...and more specifically in our evangelistic/discipleship ministry of the *Good News Club* ministry. Your involvement is very important and we know your time is valuable, so we would like to make your *Good News Club* T-Shirt orders much more efficient. You should be able to download the attached GNC T-Shirt order form. We request that if you are able, to complete and resend to our office **five days** before you would like to schedule an order pickup. By using this order form, our office can print labels to put on each shirt with the name, size, grade, payment method and amount of payment. If you have questions or need help in downloading, completing the form, and/or reattaching, please contact me.
