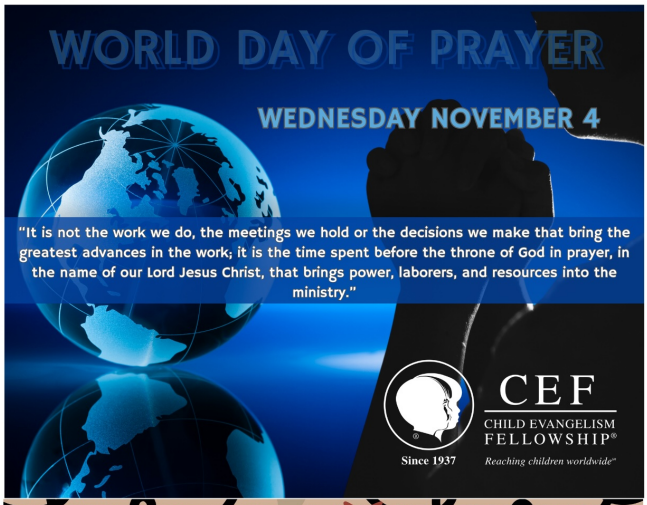
FALL MINISTRY FOCUS

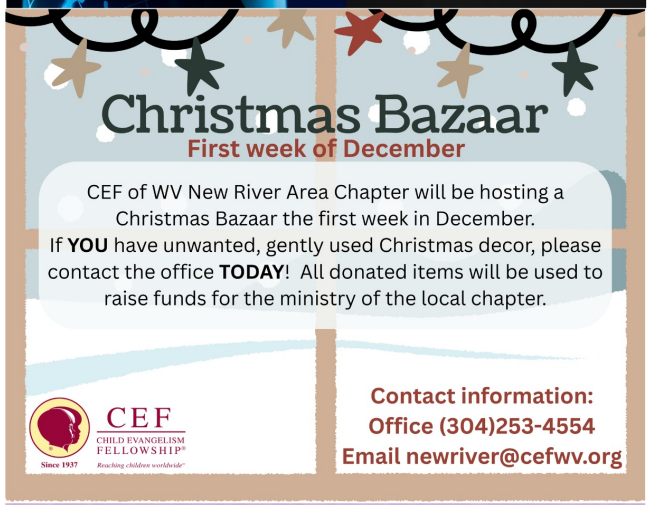
GOOD NEWS CLUB®

Dear Friends, Family, and Faithful Supporters,

Will **YOU** join us in praising God for the **11** CYIA™ team members, **8** 5-Day Clubs, **1** Soccer Party Club™, **178 children** that **HEARD** the Gospel, and **2 children** that made decisions this summer? The Lord protected the summer team and kept both ministry vans operating as the team traveled over **1500 miles** throughout 3 different counties in Southern West Virginia! **THANK YOU** for praying the chapter through another summer of ministry!!

Looking ahead, we are preparing for several one-day open air/fair ministry opportunities in the month of September as well as the statewide annual Prayer Summit at Alpine Ministries in Beckley. In October, two CYIA team members as well as a former CYIA member and a current committee member will have the opportunity to train the freshman class at Appalachian Bible College in preparation for sharing the gospel at Bridge Day. In November, our chapter will be joining CEF® volunteers and staff **AROUND THE WORLD** for World Day of Prayer. And, in December, we will be celebrating the birth of our Savior with Christmas Party Clubs in our area.





Prayer Requests:

- For Joseph as he starts the online Junior Youth Challenge course® in September
- For the continued financial stability of the chapter and needed support for Joseph as he prepares to serve as the LOCAL DIRECTOR of New River Area Chapter
- For the courage and ability to effectively share the Gospel with the children in our ministry area
- For friends of the chapter that have endured several losses as well as personal health challenges this summer
- For opportunities to share the vision of CEF with churches, individuals, and businesses in the ELEVEN counties the New River Area Chapter serves here in Southern West Virginia
